Dear Transportation Program Clients:

WoodGreen Community Services' Transportation Program is a part of an inter-agency partnership – Toronto Ride.

Toronto Ride is committed to accessibility, which includes making our services available to all who need them. We are diligent about keeping our overhead down. Still, our costs need to be realigned with inflation each year to ensure we can continue providing the highest quality of care to as many seniors as possible.

Below you will find Toronto Ride's new fee schedule for 2024, which will be effective April 1, 2024.

Please note: The new fee schedule is for a one-way ride.
